Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Today, one mile from Apache Kid Peak, high in the San Mateo Mountains of the Cibola National Forest, a marker stands as a grave, where the Anderson posse claimed to have killed the Kid in 1894. According to local residents, [6] the body was not buried and the bones and shreds of his clothing lay scattered about the site for some years, with people taking some as souvenirs.

Skull Kid is a funny and slightly macabre game for everybody, who wants to let off some steam. Walk around the office as the psycho and merciless Skull Kid and destroy everything and everyone in your way. Use deadly weapons such as chainsaws and firearms. Your goal is to walk all the way to the exit door and get to the next level without getting killed by the office workers.
