The Dialectics Of African Education

The Dialectics of African Education and Western Discourses addresses how continental Africans who have worked or are currently working in the Canadian academy address their dual legacy of African and Euro-American knowledge paradigms. Reflecting a range of approaches to hegemonic Euro-American paradigms that can be summarized as «appropriation, ambivalence and alternatives,» the authors bring African indigenous knowledge and praxes into play in addressing issues in various sub-fields of ...

The Dialectics of African Education and Western Discourses ...

Adult education in Africa, having experienced a comeback following the independence and increasing prosperity of many African nations, poses specific requirements on policymakers and planners to take into consideration indigenous cultural traits and characteristics. With a moderate backlash against Western ideals and educational traditions, many universities and other institutes of higher ...

Education in Africa - Wikipedia

African Traditional Education Education existed in Africa long before the continent was colonized or even before the slave trade. Knowledge, skills and attitudes were passed from generation to generation mostly through word of mouth in the African societies. This is because African societies, just like any other society, share the common ...

The African Educational Evolution: From Traditional ...

Dialectic or dialectics (Greek: διαλεκτική, dialektiké; related to dialogue), also known as the dialectical method, is at base a discourse between two or more people holding different points of view about a subject but wishing to establish the truth through reasoned methods of argumentation. Dialectic resembles debate, but the concept excludes subjective elements such as emotional ...

The Dialectics Of African Education And Western Discourses ...

In this essay, Brian D. Lozenski explores why Gloria Ladson-Billings's 2006 pronouncement of the nation's "education debt," as opposed to "achievement gap," has not gained traction in the national discourse around educational disparity. He contends that education debt is a more nuanced, historically based, and generative framing of racialized educational disparity, which has been marginalized ...

ERIC - EJ1147286 - Beyond Mediocrity: The Dialectics of ...

Through a tracing of four major epochs in African American education, including the mid-nineteenth-century era of slavery statutes, Reconstruction, post-Brown v. Board , and today's early twenty-first-century "crisis," of the underachievement of black youth in schools, the author considers how African American education has always been ...
